Pre-Conference: one week intensive CBASP Training

Thursday October 7th – Tuesday, October 12th

Come to Richmond, VA, to train for a full week with Dr. McCullough. Receive hands-on practice with volunteer “non patients” and personal coaching from Dr. McCullough in using the CBASP model. Leave with a better understanding of the methodology and greater confidence in your ability to use it effectively with your patients. The training qualifies you to become certified in CBASP, if you continue with 2 supervised pilot cases. Registration is available via bbaker37@comcast.net
